

CITY OF WEST COVINA PLANNING DEPARTMENT

GENERAL INSTRUCTIONS ADMINISTRATIVE USE PERMIT APPLICATIONS

Please note which type of application you are applying for, and use both this packet and the appropriate specialized information packet as you prepare your application.

REVIEW PROCESS: All administrative use permit applications require a public notice and a 10 day public review period (14 days for large-family daycare homes). The City will review your plans, request any corrections needed from you, and then send a notice to your neighbors that describes your project. During the public review period, anyone may request that the Planning Director hold a public hearing for the proposed project. If such a request is received, a public hearing will be scheduled and an additional notice will be mailed to surrounding property owners and residents a minimum of seven days prior to the hearing date, indicating the date, time, and location of the scheduled public hearing. At the public hearing, the Planning Director has the authority to approve, deny, or conditionally approve the application. If no one requests a hearing in the review period, the Planning Director makes a decision without holding a public hearing. All decisions of the Planning Director for administrative use permits are subject to a seven day appeal period. Appeals are heard by the Planning Commission.

SUBMITTAL REQUIREMENTS: All administrative use permit applications must be accompanied by the items listed below, as well as the additional items listed in the specialized packets for the type of application you are submitting. Plans should be folded to a maximum size of 8.5" x 13".

The fee for an administrative use permit for a secondary driveway is \$250.
