HOME PRESERVATION Loans Are Available!

Is your home in dire need of pending home improvements? Do you have some home improvement projects that you have been putting off?

Do you have a leaky roof or do you need new windows? Do you need to replace a block wall or does your home need a fresh coat of paint?

West Covina homeowners can apply for a Housing Preservation Loan from the West Covina Community and Economic Development Division for up to \$10,000 to make the home improvements that their homes need.

The City of West Covina's Housing Preservation Loan

Program makes available to eligible West Covina median-income homeowners a low-interest loan up to a maximum of \$10,000. Loans repaid within the first 10 years will accrue no interest. After year 10, the homeowner must pay simple interest of 5 percent of the loan amount until it is paid in full.

The loan is applicable to exterior

home improvements and aims to provide financial assistance to homeowners to ensure that West Covina's homes are preserved, well maintained and provide quality living conditions.

For more information on this program, visit the City's Web site at www.westcovina.org/departments/community-and-economic-development/housing/housing-preservation-loan-program or call Gerardo Rojas of the Community and Economic Development Division at (626) 939-8417.

Other loans may be available from other agencies. Visit the City's website for information.

Other loans may be available from other agencies. Visit the City's website for information.

Summer Recreation Guide Coming Soon

Watch out for the Community Services Recreation Guide to be mailed to all residents beginning the first week in June! The Recreation Guide has information on classes, services and other programs offered in West Covina. You can also find the Recreation Guide online at www.westcovina.org/departments/community-recreation-services/community-recreation-guide.

Keep Your Dog on a Leash

City municipal code Sec 6-31 states that while in a public park or any other public place, a domestic animal shall be kept on a leash not to exceed six (6) feet in length and is in the charge of a person competent to restrain such animal.

This ordinance is in effect not only for the safety of dogs, but also for the safety of humans.

To report a loose dog in your neighborhood, call L.A. County Animal Control, (626) 962-3577.

SUMMER CONCERT SERIES RETURNS

You are invited to come out and enjoy the City of West Covina's annual Summer Concert Series, presented by the Greater West Covina Business Association.

The concerts will be held at the Civic Center Courtyard on Thursday evenings from 6 to 9 p.m.

For decades, West Covina, along with neighboring cities, has advocated for our fair share of transportation funds to improve traffic along the San Bernardino Freeway (I-10).

Caltrans recently completed improvements to the 605/10 interchange and the first phase of the new high-occupancy lane (carpool lane) along I-10 from the 605/10 to Puente Avenue.

In 2014, Caltrans began the second phase of the carpool lane through West Covina, which will end at Citrus. This project includes 4.1 miles of highway and on-ramp and off-ramp improvements, scheduled to be completed in spring 2019. The total cost of this project is \$193 million.

A few weeks ago, Caltrans began the final phase of the carpool lane through West Covina, from Citrus to the 57/10 interchange. This project includes 5.2 miles of highway and on-ramp and off-ramp improvements, scheduled to be completed in summer 2021. The total cost of this project is \$195 million.

As Caltrans completed the

City Manager's Corner

By City Manager Chris Freeland

design of the freeway improvements, they reached out to the City to identify needs that the City wanted to address during the construction. The City requested several items to be included in the design of the freeway improvements, including new soundwalls to meet federal noise-level protections; soundwalls designed to deter graffiti; new landscaping of on-ramps and off-ramps; and concrete murals and detailed trim, as seen in Orange County.

Specifically, Caltrans has agreed to put

an entry monument along both the eastbound and southbound freeway routes, and concrete stampwork along underpasses depicting citrus groves. The City Council requested these popular improvements that are along freeways in Orange County, which the residents in West Covina will enjoy as well. A draft design is shown below.

The City of West Covina recognizes that, due to construction, residents have seen increased traffic along I-10 as well as on our residential streets. The City will continue to work with Caltrans to minimize the impact on our community.

For further information, visit the Caltrans website at www.dot.ca.gov/dist07 or call (213) 897-3656.

WEST COVINA POOL NOW OPEN FOR SUMMER FUN

Pool season is here! The weather is just right, and summer is almost here. Whether you're interested in swim lessons or just some family fun, the West Covina Municipal Pool is the perfect place to cool off this summer.

The City of West Covina Municipal Pool offers swim lessons for ages six months to adults. All lessons run for 25 minutes for a two-week period Monday through Thursday excluding holidays.

Registration began in May, and space is limited, so classes are available on a first-come, first-served basis.

Recreational swim runs Monday through Thursday from 1 to 3:30 p.m. The cost is \$1.50 per child (17 and younger) and \$2.50 for adults.

For more information, call (626) 939-8430 or visit the City's website at www.westcovina.org. We look forward to seeing you for some summer fun at the West Covina Municipal Pool.

Sidewalk Etiquette Reminder

As more people are out on the sidewalks in the upcoming summer months, we'd like to offer a friendly reminder that pedestrians walking on the sidewalk have the right of way.

Those traveling on bicycles should ride in the bike lanes as part of traffic or walk their bikes on the sidewalk.

Skateboards are not allowed on sidewalks. To ride your skateboard, visit the city's skate park located at Orangewood Park, 1615 W. Merced Ave., open seven days a week.

COMMUNITY GROUPS SPOTLIGHT

FRIENDS OF THE TAYLOR HOUSE

The Friends of the Taylor House is an auxiliary organization to the West Covina Rose Float Foundation. The mission of the Friends of the Taylor House is to support the Rose Float Foundation, a 501(c)(3) nonprofit corporation, in providing educational and cultural events at the Taylor House.

The Taylor House has been described as a "jewel in the San Gabriel Valley." The house was built in West Covina in 1912 and moved to its present location in Heritage Park at 3510 Cameron Ave. The house has been restored with historically correct materials, colors and furnishings.

The Taylor House is open for public viewing the second Sunday of each month from 1 to 4 p.m.

The Friends of the Taylor House will host two special events this year to provide cultural activity for the community and to raise funds for the ongoing maintenance of the house.

On Sunday, June 12 from 1 to 4 p.m., there will be a Mini Antique Appraisal Show. Community members can bring up to three small objects for appraisal.

On Sunday, Oct. 9 from 10 a.m. to 4 p.m., an Art in the Park event will be held. Local artists will sell original artwork in a variety of mediums.

Visit the Friends of the Taylor house at these events, during the monthly open house hours, and on the group's Facebook page at www.facebook.com/taylorhousecraftsmanhome.

WEST COVINA POLICE DEPARTMENT

CITIZENS ACADEMY A SUCCESS!

Earlier this year, the West Covina Police Department announced the return of the popular Citizens Academy.

This class, held Thursday evenings at City Hall, gave members of the community an up-close and personal look at how the

West Covina Police Department operates. The participants learned about police assignments, tools, techniques and operations.

The Citizens Academy culminated in a graduation ceremony on April 7. Thirty-five participants completed the 10-

session class and received certificates from the Chief of Police.

To sign up for the next session of the Citizens Academy, or for more information, visit the website at www.wcpd.org/events/citizens-academy/.

Enjoy Safe SUMMER GRILLING

There's nothing like outdoor grilling. It's one of the most popular ways to cook food, especially in the summer!

However, a grill placed too close to anything that can burn is a fire hazard. Grills can be very hot and can cause serious injuries if not used correctly. Follow these simple steps to enjoy a summer of safe grilling.

Safety Tips

- Propane and charcoal barbecue grills should only be used outdoors.
- The grill should be placed well away from the home and deck railings, and out from under eaves and overhanging branches.
- Keep children and pets at least three feet away from the grill area.
- Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- Never leave your grill unattended.
- Always make sure your gas grill lid is open before lighting it.

Charcoal Grills

- There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as fuel.
- If you use starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- Keep charcoal fluid out of the reach of children and away from heat sources.
- There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- When you are finished grilling, let the coals completely cool before disposing in a metal container, and never dispose of hot coals on the ground or on the beach.

Propane Grills

If you smell the odor of gas around your grill, you may have a leak. To check a gas tank hose for leaks, apply a light soap-and-water solution to the hose. A propane leak will release bubbles. If your propane tank or hose has a gas leak, turn off both the tank and the hose until the leak can be repaired by a professional.

For more information, visit the City's website at www.westcovina.org or stop by your local fire station.
