Dear Business Owner/Manager:

The City of West Covina is pleased to announce its continued participation in the Annual National Night Out Against Crime. This year the event will be held on Tuesday, August 2, 2016.

National Night Out (NNO) is one night of the year when people all over the country gather outside in their neighborhood to celebrate and bring awareness to crime and drug prevention. In addition, the night is intended to strengthen neighborhood spirit and police-community partnerships and send a message to criminals that neighborhoods are organized and fighting back.

Last year, more than 500 West Covina residents, along with Police and Fire Department personnel, City Council members, and City Hall staff participated in National Night Out by gathering at block parties, barbeques and other neighborhood celebrations. In all, 15 separate events were held throughout the City.

This year the City and the neighborhood groups would like to extend to our local businesses the opportunity to partner with the NNO events. If you are interested in being a part of the event there are sponsorship and donation opportunities, in addition to participating at the neighborhood events. This is a great way to show your support to the community and even let the community know about your business and the services you provide. The invitation is intended to create a partnership between our local businesses, residents, and the City. Your involvement would be greatly appreciated by the community of West Covina, so be a part of the night's celebration against crime!

If you are interested, please fill out the attached form and email to me no later than July 11, 2016. You can email me the form at paulina.morales@westcovina.org. If you have any questions please contact me at (626) 939-8417.
