

WEST COVINA SMALL BUSINESS WEEK

APRIL 29 - MAY 5

The City of West Covina will celebrate this year's National Small Business Week (April 29 – May 5) by hosting the 3rd Annual West Covina Small Business Week (WCSBW). The City of West Covina supports the continued growth of our local small businesses and wishes to honor the impact that they have on our community. The City will recognize local businesses that have contributed to the community at the 2018 City of West Covina Small Business Awards Ceremony and Presentation.

The City is thrilled to be hosting WCSBW and encourages local business owners and entrepreneurs to join us at the 3rd Annual WCSBW. In addition, a Business Expo with resource tables by local non-profit organizations will be held on Monday, April 30, 2018, prior to the Awards Ceremony and Presentation.
