City Manager's CORNER

Homelessness is an issue that cities throughout California continue to address while navigating the ethical, political and legal challenges. The City of West Covina has seen a three-year increase in its homeless count (2019 data pending), balancing legal rights of homeless individuals and public safety for the community at-large. The City has continued to be creative in funding programs and services while minimizing the impact to the General Fund, and staff continue to advocate for more Measure H funding to be used at the local level, in support of the County-wide effort to mitigate homelessness. The City has continued to foster partnerships and collaborations with various agencies in homeless services and law enforcement in order to better address this complex issue. While some of our partnerships and programs are highlighted on page 5, the newest collaboration will be launching in June/July 2019. I am proud to announce that the City of West Covina was successful in securing \$343,250 from Measure H grant funding for a five-person Housing Navigator team in partnership with the Cities of Azusa, Covina, Duarte and Glendora. This five-person team will be working in our community and in our neighboring partner cities providing outreach and case management to ensure homeless individuals have access to supportive services and housing. This team will compliment the work being done by our Homeless Outreach and Park Enforcement (H.O.P.E.) Team from the Police Department, as well as the other service providers and regional partners currently working to improve homelessness in West Covina and the region. I would like to take this opportunity to thank the residents who diligently report issues in the community and advocate for improved processes and positive change at public meetings. I urge the business community to continue to work with your Service Area Lieutenants and Code Enforcement to address issues on private property as we understand the challenges and want to support your businesses so they can be successful. Additional information regarding the City's Homeless Plan, toolkits for businesses and residents, and resources are available on the City's website at www.westcovina.org. Together we can make a lasting impact to reduce homelessness and improve the quality of life in West Covina.

Acting City Manager

HOMELESS OUTREACH AND ENFORCEMENT EFFORTS IN WEST COVINA

Much of California is experiencing an increase in the homeless population. The City of West Covina is constantly pursuing opportunities and resources to target homelessness, and will continue to do so. Here are the programs that the City currently dedicates to this homeless issue.

• Homeless Outreach and Park Enforcement (HOPE) Team

In 2017, using a combination of grant and local funding sources, the City created 2 full-time Police Officer positions to focus on homeless related calls for service throughout the City, and also provide targeted law enforcement at City parks. To date, the HOPE Team has removed over 100 illegal encampments and given hundreds of service cards to help the homeless population access available services and assistance in our region.

• East San Gabriel Valley Mental Evaluation Team (MET)

In 2015, the Police Departments of West Covina, Covina, Azusa, and Glendora partnered with the Los Angeles County Department of Mental Health to create a combination mental health and law enforcement team. One day per week, a licensed Mental Health Clinician partners with a West Covina PD Officer, handling calls and reaching out to people suffering from mental health issues, helping them access mental health and social service programs.

• Homeless Assistance Liaison Officers (HALO)

The East San Gabriel Valley HALO Team is a regional homeless outreach program funded by the State, that brings together local police departments and LA County's "SB 82" Mental/Homeless Team. Each month, the West Covina Police Department assigns an Officer to work with this team, offering assistance to the homeless with social services, veterans' benefits, housing options, and also addressing criminal activity.

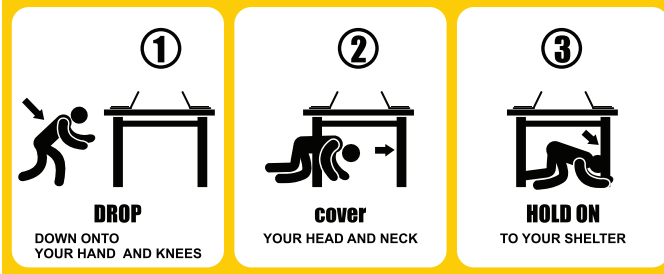

• Union Station Partnership

New for 2019 is a partnership with Union Station that will see a part-time homeless outreach worker in West Covina 2-3 days per week, to help the homeless navigate housing and services. This is pilot project funded by a grant.

Although being homeless is not itself a crime, if a homeless person commits any crimes, the Police Department will respond and enforce the law, and we ask you the residents to always report any crimes you see, by calling 9-1-1 (for emergencies) or (626) 939-8500 (for non emergencies), or by visiting www.wcpd.org.

Earthquake Preparedness *Drop! Cover! Hold On!*

HOW TO SAVE YOURSELF DURING AN EARTHQUAKE

DROP where you are, onto your hands and knees. This position protects you from being knocked down and also allows you to stay low and crawl to shelter if nearby.

COVER your head and neck with one arm and hand

- If a sturdy table or desk is nearby, crawl underneath it for shelter
- If no shelter is nearby, crawl next to an interior wall (away from windows)
- Stay on your knees; bend over to protect vital organs

HOLD ON until shaking stops

- Under shelter: hold on to it with one hand; be ready to move with your shelter if it shifts
- No shelter: hold on to your head and neck with both arms and hands.

Protect Yourself During Earthquake Shaking!

Official rescue teams from the U.S. and other countries who have searched for trapped people in collapsed structures around the world, as well as emergency managers, researchers, and school safety advocates, all agree that "Drop, Cover, and Hold On" is the appropriate action to reduce injury and death during earthquakes. Earthquakes occur without any warning and may be so violent that you cannot run or crawl; you therefore will most likely be knocked to the ground where you happen to be. But if possible, take cover away from exterior walls of a building which are the most dangerous places to be. Windows, facades and architectural details are often the first parts of the building to collapse. To stay away from this danger zone, stay inside if you are inside and outside if you are outside.

Given the dynamics of earthquakes and their effects on structures, "Drop, Cover, and Hold On" is the single most useful instruction that you can follow to protect yourself in the majority of situations. It gives you the best overall chance of protecting yourself during an earthquake... even during quakes that cause furniture to move about rooms, and even in buildings that might ultimately collapse

AMBULANCE SUBSCRIPTION PROGRAM

Now available for local businesses!

Here is how the program works:

Cost: \$69 (per residential household) or \$69 (for every 10 employees in a local business) located in West Covina.

Benefits: Membership lasts 12 months, provides unlimited ambulance transports (with no co-pay), and will waive the \$289 EMS Assessment Fee (charged when treatment is provided but the patient is not transported).

Learn more: Please visit www.westcovina.org/ambulance or call the Fire Administration Office at (626) 939-8824.

To sign-up: Please call the billing office at (800) 906-6552, option "4", then "3".

They will mail you an application that you can return with a check. No credit cards at this time.

ATTENTION ALARM OWNERS

If your monitored alarm system is designed to summon the Police or Fire Department, you are required to sign-up for an annual alarm permit (\$10 per permit, per system).

Background: Each year, the Police and Fire Department respond to thousands of alarm calls where 95% result in a false alarm. Responding personnel do not know the names of the occupants or whether hazardous materials are located on-site. Alarm permits will ensure information is provided to responding personnel.

Goal of the program: To create a balance between the use of Police and Fire Department resources to respond to alarm calls while holding the alarm monitoring companies accountable for alarm system installations and the alarm owners accountable for the operation and maintenance of their alarm system.

Exclusion: Residential smoke alarms and carbon monoxide detectors do not require an annual alarm permit.

Learn more: Please visit www.westcovina.org/alarm or call the City's third-party vendor, PM AM Corporation.

To sign-up: Please call PM AM Corporation. For alarm systems that summon the Police Department: (888) 421-9155. For alarm systems that summon the Fire Department: (888) 339-5538.

Support West Covina After School Programs

www.westcovina.org/shoplocalafterschool

The City of West Covina, in partnership with West Covina Unified School District, Covina-Valley Unified School District, and Rowland Unified School District launched a new program and business opportunity to benefit our local youth in 2017. The Shop Local After School Program is designed to encourage residents and visitors of West Covina to shop at local retailers that give back to local schools. With local businesses' support, the children of West Covina will benefit from enriching programs in science, engineering, music, dance, robotics, cultural arts and many other after-school programs while businesses receive increased brand awareness and marketing. The school districts in West Covina have a strong commitment to academic excellence, and this supplemental after-school program aims to provide opportunities for children in elementary school through high school to experience science, technology, engineering, arts and math (STEAM). The City of West Covina, the West Covina Unified School District, the Covina-Valley Unified School District and the Rowland Unified School District are pleased to offer this program to the youth in the community.

Businesses have contributed over \$50,000 since February 2017 to our local after school programs!

Thank you to the following sponsors for your generous contributions to date:

The McIntyre Company, EDI Media, Penske Mercedes-Benz, H2K of West Covina, Xuan Zhan Meditation Monastery, Jones and Mayer, LTG South Hills LLC, Aurio Lighting, and Royal Coaches Auto Body and Towing.

TRANSPORTATION GO WEST Dial-A-Ride

Go West Dial-A-Ride is a shared curb-to-curb service provided on an appointment basis for senior and disabled residents of West Covina. Customers may travel to or from any location within City limits for any purpose (Sundays); or up to three miles outside the City limits for medical appointments (Monday - Friday). Fares are \$1.00 ONE WAY. Escorts and children under five (5) ride free. Fares must be paid at the time of boarding.

Candidates will need to submit an application to the City of West Covina before they can begin using the service. An application can be obtained by contacting (626) 331-5366, or at the City's website (www.westcovina.org/transit). Please allow five business days for processing your application. Call today, we look forward to serving you!

GO WEST TRANSIT SYSTEM

The City's Go West transit system includes three routes: Red, Blue, and Green. Go West provides service to many West Covina destinations; including: The Plaza Shopping Center, Eastland Shopping Center, West Covina Civic Center, Cortez Park Community and Senior Center, Cameron Park Community Center, and many others!

For the location of shuttle stops, assistance in locating the stops closest to you, and route schedules, please call (800) 425-5777. You may also visit the City's website (www.westcovina.org/transit) to view route maps and schedules online.

In general, the shuttle schedules vary between the hours of 6:30 a.m. to 7:00 p.m., Monday thru Friday. **At just \$1.00 each way the Red, Blue, and Green Shuttles are a real bargain.**

SERVICES

INCLUSIVE PLAYGROUND AT CAMERON PARK

The City of West Covina opened its inclusive playground in 2016 at Cameron Park located at 1305 East Cameron Ave. The park allows children with special needs to play with and alongside typical children. The City views this as a positive step forward and strives for full inclusion in recreation programming.

ADOPT-A-PARK PROGRAM

The West Covina Adopt-A-Park program is a cooperative venture that celebrates community spirit and fosters civic responsibility. The program is designed to enhance the condition and beauty of our City parks through the volunteerism of individuals, community organizations, and businesses.

Groups that adopt a park make a difference by picking up trash, cleaning play areas, painting picnic shelters, and more. Groups that adopt a park for six months or longer will be eligible to receive special recognition as a member of the Adopt-A-Park Program.

Contact the Community Services Department at (626) 919-6966 for more information.

VOLUNTEER OPPORTUNITIES

We Make a Difference! You can too!

Have you always wanted to be a park volunteer and share your love of nature with others? The San Gabriel Valley Mountains Regional Conservancy (SGMRC) provides training to help you become a volunteer at the Galster Park Nature Center. The nature education program is dependent upon volunteers to serve as docents, trail guides, office personnel, program presenters, and assistants. If you are interested in serving as a volunteer, please contact Galster Park Nature Center at (626) 919-0715.

INCLUSION PROGRAMS

Do you have concerns about your child's growth or behavior?

211 LA County can conduct a FREE developmental screening over the phone for children, infant to five years of age to see how your child is learning, behaving, or growing for his or her age.

Dial 2-1-1 and ask to get a developmental screening for your child. You will be connected to a 2-1-1 Care Coordinator who will interview you using a parent questionnaire and who will provide hands-on and follow up assistance in connecting to needed intervention services in Los Angeles County. Call 2-1-1 or visit www.211LA.org for Free Help or Information. It is available 24/7 and in all languages.

West Covina Youth Soccer www.wcysc.com

TOPSoccer

The Outreach Program for Soccer, is a community-based soccer program for young athletes with physical and mental disabilities that provides a safe and fun environment for their child to participate in organized sports. These athletes compete with others of similar ability. Any youth player between the ages of 4 and 30 years old having a physical or mental disability that limits their ability to perform at the level of play they have chosen to participate is eligible for the program. Emphasis of this program is on development, training, and providing meaningful participation rather than on competition. TOPSoccer's goal is to enable the thousands of young athletes with disabilities to become valued and successful members of WCYSC.
