**VIII. JURY DUTY**

**A. Jury Duty Policy**

No deductions shall be made from the salary of an employee while on jury duty if he/she has waived or remitted to the City the fee for jury duty paid for hours the employee is scheduled to work. If he/she has not so waived or remitted the jury fee, he/she shall be paid only for the time actually worked in his/her regular position. An employee accepted for jury duty shall immediately notify management in writing whether or not he/she waives or remits his/her jury fee to the City.

**B. Jury Fees Returned to the City**

The City will grant an employee required to serve on jury duty, or to report for examination to serve on jury duty, up to a maximum of one hundred sixty (160) hours paid leave for such purposes during any three (3) consecutive years of employment. All fees received by the employee for jury duty, exclusive of mileage, shall be remitted to the City. City Administrative procedures will govern further details of this program.

**IX. FAMILY CARE LEAVE**

**A. Birth or Adoption**

Leaves due to pregnancy or subsequent to the birth or adoption of a child for parental care purposes, will be granted for a reasonable period of time by the City Manager, provided such period, including paid leave and leave without pay, shall not exceed four months. Such leave shall not be conditioned on whether the employee is medically disabled but must be directly associated with the birth or adoption of a child.

**B. Family Illness**

Leaves due to serious health condition of a covered family member as defined under applicable California and federal law of an employee may be granted for a reasonable period of time by the City Manager, provided such period including paid and unpaid leave, shall not exceed twelve (12) weeks in any twelve (12) month period. Only those employees with at least one year of continuous City employment shall be eligible. Certification from a health care provider that the employee's leave is necessary and the prospective length of such leave may be required upon request. Family care leave shall be administered in a manner consistent with Sections 12945, 12945.2 and 19702.3 of the California Government Code. California law shall prevail unless preempted by federal law.

**C. Use of Paid Leave**

1. Paid benefit time such as vacation, personal leave days, compensatory time and administrative leave may be taken during any family leave period so long as the total time off does not exceed twelve (12) weeks. Such leave must be used prior to an employee taking leave without pay except during the disability period of a female employee which is in conjunction with the

birth of a child. Sick leave may only be used during the disability period or as provided under Personnel Rules. All employees on family care leave are entitled to return to the same or comparable position.

2. More specific details on the Family Medical Leave Policy is set forth in the City's Administrative Policy on the subject (dated 1/3/94 & 4/6/94) and as amended thereafter and City Personnel Rules.

**X. SPECIAL LEAVE OF ABSENCE WITH PAY**

When an employee has exhausted all sick leave and vacation time to which he/she is entitled, the City Council may, upon showing of good cause and justifiable and deserving circumstances, grant to such employee a leave of absence with pay for a period not exceeding six (6) months and subject to such conditions as the City Council may deem advisable. If the special leave of absence request is in relation to an employee's disability accommodation, then the leave shall be determined through the interactive process on a case-by-case basis. If temporary disability payments are paid to such employee during any such leave of absence with pay, they shall be credited to and considered a part of his/her salary, and the City shall pay only the difference which when added thereto would equal his/her full salary.

**XI. LEAVES OF ABSENCE WITHOUT PAY**

**A. Unauthorized Absence — Automatic Termination**

Any employee absent from his/her job for more than two (2) working days without prior permission of the department head, shall be considered to have

automatically terminated his/her employment with the City, unless such leave is extended as approved by management for mitigating circumstances.

**B. Unauthorized Absence — Other Disciplinary Action**

Any unauthorized absence may be cause for disciplinary action.

**C. Authorized Absence**

1. Upon the request of the employee and the recommendation of the appointing authority, a leave of absence without pay may be granted by the Council or City Manager to an employee, who immediately preceding the effective date of such leave, shall have completed at least one (1) year of continuous service.
2. An employee shall not be entitled to a leave of absence as a matter of right, but only upon good and sufficient reason.

3. If the leave without pay request is in relation to a disability accommodation, then the leave will be determined through the interactive process on a case-by-case basis without the aforementioned restrictions.

**D. Leave of Absence Without Pay – Duration**

1. Request for leave of absence without pay shall be made as prescribed by the Human Resources Director, and shall state specifically the reasons for the request, the date when leave is desired to begin, and the probable date of return to work.
2. The Human Resources Director may approve the request of leave of absence without pay, of one hundred twenty (120) calendar days or less upon the recommendation of Department Head.
3. The City Manager may approve, upon recommendation of the Department Head, requests of more than one hundred twenty (120) calendar days, not to exceed one (1) full year.
4. The City Manager may later, due to mitigating circumstances, extend such leave of absence without pay for one (1) additional full year with the approval of the Department Head.
5. A physician statement shall be required of any employee who requests leave of absence without pay as a result of medical conditions.
6. If the leave without pay request is in relation to a disability accommodation, then the leave will be determined through the interactive process on a case-by-case basis without the aforementioned restrictions.

**E. Leave of Absence — Employee Injured on Job**

The City Council may grant a leave of absence without pay for an indefinite period of time to any employee who is injured on the job, or has a serious illness even though the employee does not meet the one-year of continuous service requirements.

**F. Accrual of Benefits**

Leave of absence without pay granted by the City shall not be construed as a break in service of employment, and rights accrued at the time leave is granted shall be retained by the employee; however, vacation credits, sick leave credits, increases in salary and other similar benefits shall not accrue to a person granted such leave during the period of absence. An employee reinstated after leave of absence without pay shall receive the same step in the salary range he/she received when he/she began his/her leave of absence. Time spent on such leave without pay shall not count toward service for increases within the salary range, and the employee's

salary anniversary date shall be set forward one month for each thirty (30) consecutive leave days taken.

**XII. FAILURE TO RETURN FROM LEAVE**

- A.** Failure of the employee to return to his/her employment upon the termination of any authorized leave of absence shall constitute an automatic termination from City service of that employee, unless such leave is extended as approved by management for mitigating circumstances.
- B.** The City reserves the right to revoke or cancel any authorized leave for reasons, which the City finds to be sufficient.
