- Budget Adoption & Appropriations Limit (Council Meeting)

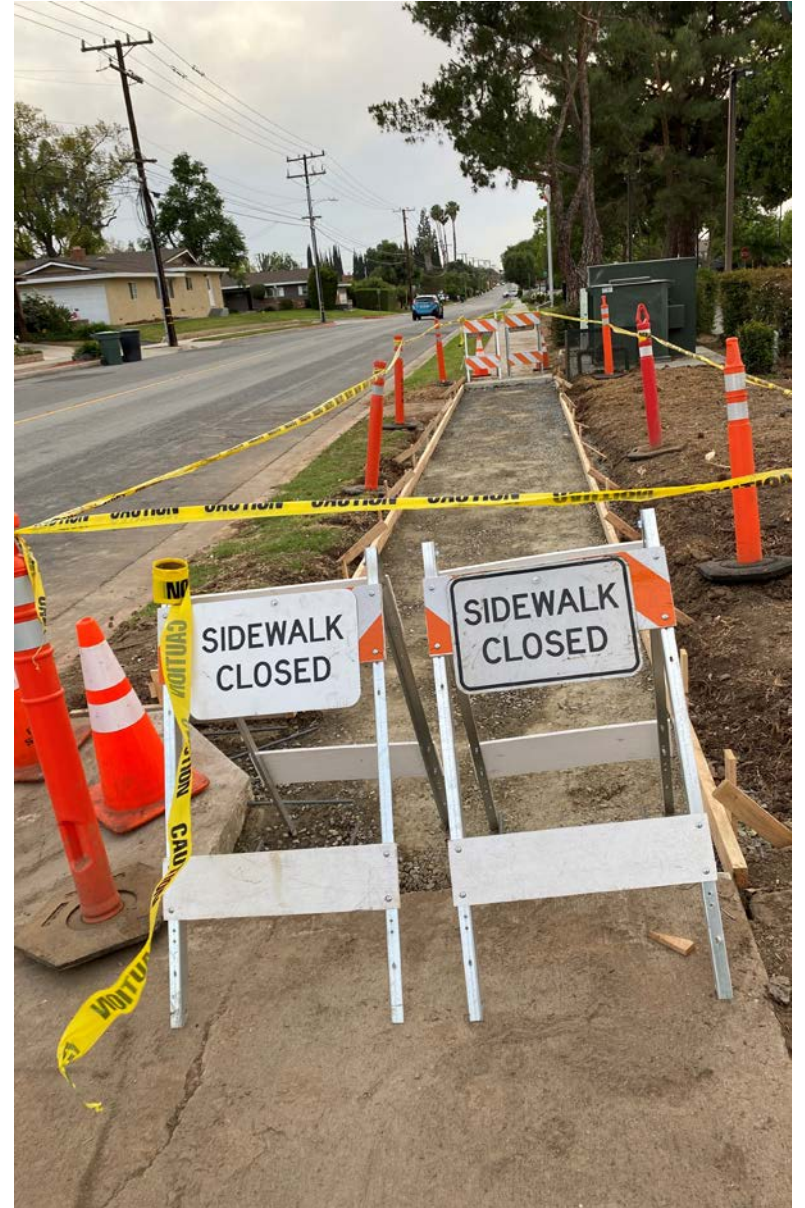

July 1st

- New Fiscal Year Starts

UPCOMING – BUDGET MEETINGS

A network diagram featuring white human figures (men and women) positioned at various nodes. These nodes are interconnected by a web of thin black lines, creating a complex, interconnected network structure. The background is a dark, textured surface, possibly a table or floor, which provides a high-contrast backdrop for the white figures and lines. The overall composition suggests themes of communication, collaboration, and interconnectedness.
